Subject: Request for Continuance of Case No. 08-35653

Dear Ms. French:

I am writing this letter to request a continuance in case number 08-35653 for medical reasons beyond my control.

I was hospitalized last Saturday, October 24, 2009 because of my heart condition. I have been in the hospital all this week until the 28th of October. On the 28th, I had an appointment to go to the VA hospital in Washington DC to go the defibrillator clinic. I have another appointment to see the heart doctor on Tuesday November 3rd as you can see in the attached papers.

It is plain to see why I am unable to make it to the hearing on November 3, 2009.

Thank you so much in this matter

Respectfully,

William Hale
